PROFESSIONAL EXPERIENCE

Private Tutor

UAE | 2016 – 2023

- Delivered 8 years of in-person instruction to batches of 25–30 students (Nursery to Grade 10) across Pakistani, Indian, and British curricula.
- Specialized in early childhood education (ages 4–6), building foundations in literacy, numeracy, and language development.
- Created original learning materials:
 - Structured Qaida program (letter recognition → Tajweed basics + short Surahs)
 - English, Urdu, and Arabic alphabet based readers (11–12 vocabulary words per letter)
 - Daily writing and revision worksheets to improve retention and handwriting
- Designed customized worksheets for mixed ability students and smooth curriculum transitions.
- Taught basic to intermediate computer science concepts (logic, truth tables) using real life analogies.
- Conducted academic seminars explaining complex concepts through practical examples.
- Maintained strong parent communication with regular progress updates and learning support strategies.

Freelance Web Developer & EdTech Designer

UAE | 2019 – Present

- Designed and developed 15+ education focused platforms, including interactive learning tools, tutoring systems, and faith based e-learning portals.
- Integrated pedagogical elements: gamified quizzes, progress trackers, multilingual content delivery, and accessibility features.
- Translated complex concepts into intuitive interfaces through learner centered UI/UX design.
- Developed complete branding packages for educational institutions (logos, social media kits, digital assets).

SKILLS

- Web & App Development:** Responsive websites, mobile app prototypes, performance optimization, web accessibility (WCAG), REST APIs — Java, HTML/XML, CSS, JavaScript, PHP, MySQL, Laravel, Bootstrap, jQuery, Python, C++, C#
